

FARMLAND FACT SHEETS – SASKATCHEWAN

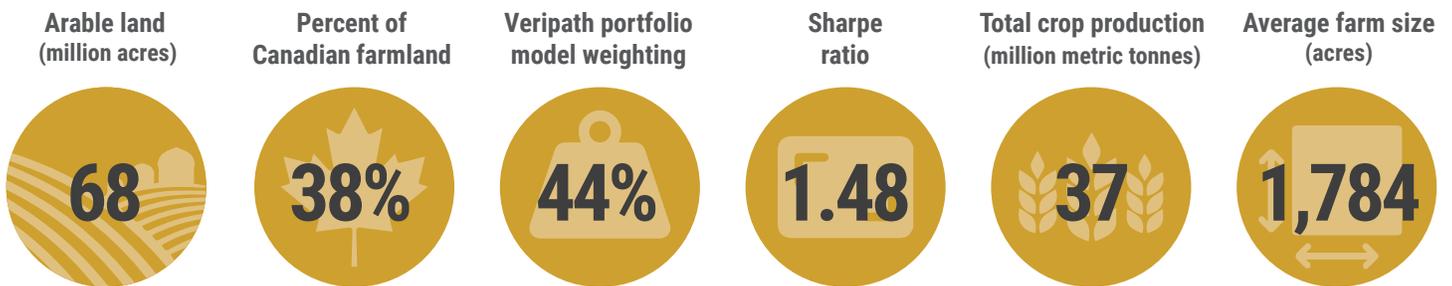

SASKATCHEWAN

“There are two spiritual dangers in not owning a farm. One is the danger of supposing that breakfast comes from the grocery, and the other that heat comes from the furnace.” – Aldo Leopold

“When it comes to portfolios, my personal advice is for anyone who can, put money into forestry or farmland. Long term, you would probably never come near their returns in the stock market.” – Jeremy Grantham

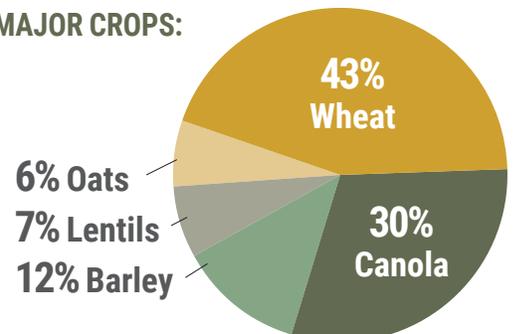

KEY METRICS:

OWNERSHIP REGULATIONS:

Canadian citizens and permanent residents of Canada, and corporations or membership-based organizations which are 100 per cent Canadian-owned, and are not publicly traded, are eligible to own Saskatchewan farmland. Non-residents and foreign entities can own up to 10 acres of Saskatchewan farmland. Entities that are partially foreign owned but controlled by Saskatchewan residents or their farming corporations can own up to 320 acres.

MAJOR CROPS:

SOURCES

Statistics Canada, CANSIM Database Table: 32-10-0359-01 (formerly CANSIM 001-0017), Health of our Soils, Sharpe ratio = (2008-2018) Veripath analytics, using Risk Free Rate = 3%, Saskatchewan Farmland prohibit institutional farmland ownership. The Saskatchewan Farm Security Act, SS 1988-89, c S-17.1, The Saskatchewan Farm Security Regulations, RRS c S-17.1 Reg 1, Veripath portfolio model weighting is as of 2021, average farm size as of 2016, crop production data is 2020

DISCLAIMER

This document is for information only and is not intended to provide the basis of any credit or other evaluation, and does not constitute, nor should it be construed as, an offer to sell or a solicitation to buy securities of Veripath, Veripath Farmland LP, Veripath Farmland (UR) LP or any other entity, nor shall any part of this document form the basis of, or be relied on in connection with, any contract or investment decision in relation to any securities.

Past performance does not guarantee future results. This document contains statistical data, market research and industry forecasts that were obtained from government or other industry publications and reports. While Veripath believes this data to be reliable, market and industry data is subject to variations and cannot be verified with complete certainty due to limits on the availability and reliability of raw data, the voluntary nature of the data gathering process and other limitations and uncertainties inherent in any statistical survey. Veripath has not independently verified the accuracy or completeness of such data contained herein.

This document may provide addresses of, or contain hyperlinks to, third party websites. Veripath has not reviewed and takes no responsibility whatsoever for the contents thereof. Each such address or hyperlink is provided solely for the reader's convenience and the information and the contents thereof are in no way incorporated into this document. Readers who choose to access such third party websites or follow such hyperlinks do so entirely at their own risk.

Forward-Looking Information: This document includes forward-looking information and forward-looking statements (collectively, "forward-looking information") with respect to Veripath. Forward-looking information is provided for the purpose of providing information about the current expectations and plans of management of Veripath relating to the future. Readers are cautioned that such information may not be appropriate for other purposes. All statements other than statements of historical fact may be forward-looking information. More particularly and without limitation, this document contains forward-looking information relating to Veripath's investment objectives and strategies and its expectations with respect to the benefits of investing in farmland. Forward-looking information is based upon a number of assumptions and involves a number of known and unknown risks and uncertainties, many of which are beyond Veripath's control, which would cause actual results or events to differ materially from those that are disclosed in or implied by such forward-looking information. Although management believes that expectations reflected in such forward-looking information are reasonable, undue reliance should not be placed on forward-looking information since no assurance can be given that such information will prove to be accurate. Veripath does not undertake any obligation to update publicly any forward-looking information other than as required by applicable securities laws.

Our reports, including this paper, express our opinions which have been based, in part, upon generally available public information and research as well as upon inferences and deductions made through our due diligence, research and analytical process.

The information contained in this paper includes information from, or data derived from, public third-party sources including industry publications, reports and research papers. Although this third-party information and data is believed to be reliable, neither Veripath Farmland Partners nor its agents (collectively "Veripath") have independently verified the accuracy, currency or completeness of any of the information and data contained in this paper which is derived from such third party sources and, therefore, there is no assurance or guarantee as to the accuracy or completeness of such included information and data. Veripath and its agents hereby disclaim any liability whatsoever in respect of any third-party information or data, and the results derived from our utilization of that data in our analysis.

While we have a good-faith belief in the accuracy of what we write, all such information is presented "as is," without warranty of any kind, whether express or implied. The use made of the information and conclusions set forth in this paper is solely at the risk of the user of this information. This paper is intended only as general information presented for the convenience of the reader and should not in any way be construed as investment or other advice whatsoever. Veripath is not registered as an investment dealer or advisor in any jurisdiction and this report does not represent investment advice of any kind. The reader should seek the advice of relevant professionals (including a registered investment professional) before making any investment decisions.

Veripath Farmland LP and Veripath Farmland (UR) LP have retained Qwest Investment Fund Management Ltd. to provide certain of its services, including oversight and approval of net asset value (NAV) calculations, subscription and redemption processes, as well as access to Fundserv Inc.'s platform.

The opinions and views expressed in this paper are subject to change or modification without notice, and Veripath does not undertake to update or supplement this or any other of its reports or papers as a result of a change in opinion stated herein or otherwise.
